Beautiful open floor plan Rancher is full of natural light! The central gathering area features gas fireplace, built-ins, and vaulted ceilings. The open kitchen is stunning with stainless steel appliances that are spotless and granite counter tops, large dining area, and center island with breakfast bar. Split floor plan has owner's suite on one side of the home and guest bedrooms and bath on the other. Large 2-car garage, too, with opener and room for 4 cars in the driveway. All three bedrooms have carpet, there is luxury vinyl plank throughout main area, and tile in the bathrooms. Primary bedroom has en suite with walk-in shower, double vanities, and large walk-in closet. Great commuter location that is minutes to I81.
